

STELLARPHANT

*** JAMES FOLEY ***

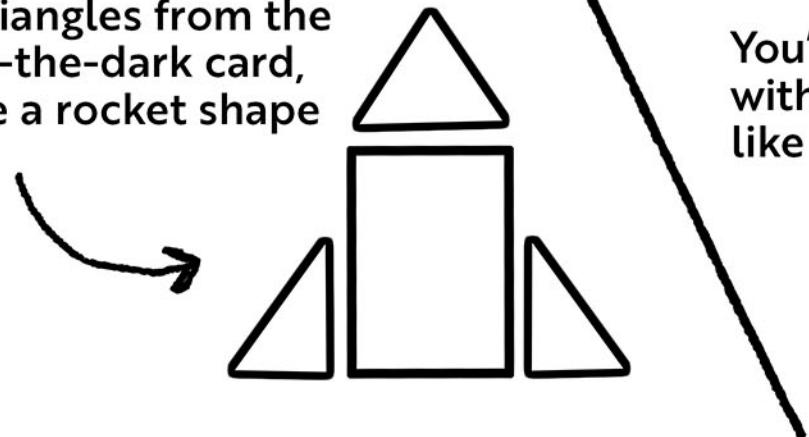

GLOW-IN-THE-DARK ROCKET COLLAGE

YOU WILL NEED:

- glow-in-the-dark paper or card (you can find this online)
- glow-in-the-dark star stickers
- A4 black card
- scissors
- glue
- sharpie

STEP 1:

Cut out a rectangle and some triangles from the glow-in-the-dark card, to make a rocket shape

STEP 2:

Stick the shapes onto the black card.

TIP: the rough side of the card is the side that glows-in-the-dark: so make sure it's facing up when you stick it on.

STEP 3:

Add the glow-in-the-dark stars.

STEP 4:

use the sharpie to add details to your rocket. Don't forget to add some windows and show your crew inside the rocket!

You'll end up with something like this:
